

Magnetic Scale MB5

incrementally coded scale, pole length 5mm

Features:

- Easy adhesive mounting;
- Insensitive to humidity and oil
- Long range, high accuracy;
- Easy storage and transportation;
- Can be customized.

Data: MB5

Item	Technical Data	Additional information
Pole length	5mm	
Measuring length	Infinite	
Width	8,10,12mm	
Thickness	0.5,1.0,1.5mm	
Accuracy class	$\pm 0.03\text{mm}$, $\pm 0.05\text{mm}$	
Operating temperature	$-20\sim+70^{\circ}\text{C}$	
Storage temperature	$-40\sim+90^{\circ}\text{C}$	
Mounting type	Glued joint	

Order table:

Item	Order data		Specification	Additional information
Length	2	A	2m 01...90m	Standard In steps of 0.1 m
Width	8 10 12	B	8mm 10mm 12mm	Standard
Thickness	5 10 15	C	0.5mm 1.0mm 1.5mm	Standard
Accuracy	50 30	C	$\pm 0.05\text{mm}$ $\pm 0.03\text{mm}$	Standard
Carrier strip	ZY ZSS ZN	D	With special alloy steel With stainless steel Without	Standard
Cover strip	FY FN	E	With Without	Stainless steel
