

Magnetic Scale MB2

incrementally coded scale, pole length 2mm

Features:

- Easy adhesive mounting;
- Insensitive to humidity and oil
- Long range, high accuracy;
- Easy storage and transportation;
- Can be customized.

Data: MB2

Item	Technical Data	Additional information
Pole length	2mm	
Measuring length	Infinite	
Width	8,10,12mm	
Thickness	0.5,1.0,1.5mm	
Accuracy class	$\pm 0.03\text{mm}$, $\pm 0.05\text{mm}$	
Operating temperature	$-20\sim+70^{\circ}\text{C}$	
Storage temperature	$-40\sim+90^{\circ}\text{C}$	
Mounting type	Glued joint	

Order table:

Item	Order data		Specification	Additional information
Length	2	A	2m	Standard In steps of 0.1 m
			01...90m	
Width	8	B	8mm	Standard
	10		10mm	
	12		12mm	
Thickness	5	C	0.5mm	Standard
	10		1.0mm	
	15		1.5mm	
Accuracy	50	C	$\pm 0.05\text{mm}$	Standard
	30		$\pm 0.03\text{mm}$	
Carrier strip	ZY	D	With special alloy steel	Standard
	ZSS		With stainless steel	
	ZN		Without	
Cover strip	FY	E	With	Stainless steel
	FN		Without
